

PLEASE JOIN US

No other gathering of municipal officials in Maine compares to the MMA Annual Convention. Over 600 municipal officials are expected to attend, including city and town managers, councilors and selectmen, public works directors, finance directors, clerks and assessors. Those who have joined us in the past are well aware of the benefits that this Convention offers businesses and organizations with municipal customers. The exhibit hall offers businesses/agencies a chance to display products, services, equipment, and informational materials to the convention delegates.

2009 MMA Convention
