LD 211 *An Act to Make School Safer for Students with Epilepsy and Other Seizure Disorders by Requiring Seizure Action Plans and Training in Schools* (Sponsored by Rep. Kuhn of Falmouth)

Beginning July 1, 2026, this bill requires school administrative units to employ at least one individual who is trained to administer or assist with the self-administration of seizure rescue medication and further requires school employees subject to professional development mandates

to participate in a minimum of one hour of self-directed study related to seizure disorders annually. The bill also requires school districts to establish a seizure action plan, developed in collaboration with a parent or guardian of a student diagnosed with a seizure disorder and starting with the 2026-2027 school year, provide age-appropriate seizure education program for all students.

LD 210 No LD # 2 [Part A](#) & [Language](#) *An Act Making Unified Appropriations and Allocations for the Expenditures of State Government, General Fund and Other Funds, and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 2025, June 30, 2026 and June 30, 2027 (Emergency) (Governor's Bill)*

This bill is the Governor's proposed General Fund biennial state budget for FY 2026 and FY 2027. Of municipal interest this emergency bill:

Homestead Exemption Reimbursement (Page A-27). Allocates \$92 million and \$95 million in FY 2026 and FY 2027, respectively for state reimbursement for lost property tax revenue.

County Jail Operations (Pages A-149). Allocates \$24.3 million in both FY 2026 and FY 2027 for county jail operations and the cost of providing mandated medication assisted treatment.

General Assistance (Page A-330). Allocates \$10.4 million in both FY 2026 and FY 2027 for state reimbursement under the General Assistance program.

Revenue Sharing (Pages A-630 & 633). Allocates \$276 million and \$283 million in fiscal years 2026 and 2027, respectively, for distribution to municipalities under the revenue sharing program.

Part C - School Aid (Pages 1-6). Establishes as 6.1 the minimum mil rate expectation, a reduction from the FY 2025 minimum of 6.62. This section also: (1) under the Essential Programs and Services formula calculates the total minimum cost of funding K-12 education as \$2.73 billion; (2) appropriates \$1.50 billion as the state's state, which is 55% of the total; and (3) appropriates \$285.6 million as the state's contribution to the unfunded actuarial liabilities for Maine teachers' retirement benefits.

Part D - Maine Office of Community Affairs (Pages 6-42). Amends the statute that created the Maine Office of Community Affairs in 2024 by shifting to the office oversight of the community resilience partnership, coastal zone management, floodplain management, municipal planning assistance, housing planning, volunteer Maine, code enforcement and Maine climate corps programs. This section also amends the members and goals of the Development Ready Advisory Committee by directing the committee, in part, to assist communities in preparing for sustainable growth and in a way that maximizes financial return for state and local economies, improves quality of life for residents, addresses housing needs for households of all income levels and advances environmental protection and transportation goals and specific locally identified priority needs. As proposed, the 21-member committee includes representation from

the office, as well as commissioners and directors from several state agencies, and 12 members selected by and to serve at the pleasure of the office's director, including three municipal officials.

Part F – Cannabis Excise Tax (Pages 44-46). Reduces the cannabis excise tax rates by one-third and concurrently increases the sales tax on adult use cannabis to 14%. It also changes the adult use cannabis sales tax and excise tax transfers to the Adult Use Cannabis Public Health and Safety and Municipal Opt-in Fund from 12% to 9%.

Part TT – Ambulance Provider Tax (Pages 91-93). Beginning on July 1, 2026, assesses a tax on all ambulance services providers, except for programs run by the Maine National Guard, municipal governments and non-profit organizations. The tax is equal to 6% of the entity's operating revenue.

Part VV – SNAP & TANF Benefits (Page 103-104). Repeals the hardship exception that currently allows individuals who have obtained proper work documentation but are unemployed to receive state-funded SNAP and TANF benefits.

PART NNN – Fishing License Fee Increase (Pages 113-114). Increases fishing license fees by \$7.

Part VVV – Concealed Handgun Permit Fee Increase (Pages 122-123). Increases the fee for concealed handgun permits from \$35 to \$50 for an original application and from \$20 to \$35 for a renewal permit. The nonresident fee for both an original and renewal permit is increased from \$60 to \$80. The bill also provides that all collected fees be remitted to and retained by the Treasurer of State.

Part YYY – Workers' Compensation Board Administrative Fund (Page 125). Amends the provision of law governing the Workers' Compensation Board Administrative Fund to ensure the board can fund expenditures allocated by the Legislature by providing that assessments levied may not be designed to produce more revenue than is sufficient for the Workers' Compensation Board to fund the expenditures allocated by the Legislature and to maintain a reserve of up to 25% of the board's annual budget.

LD 209 [Language](#) *An Act Making Unified Supplemental Appropriations and Allocations for the Expenditures of State Government, General Fund and Other Funds, and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Year Ending June 30, 2025 (Emergency) (Governor's Bill)*

This is the Governor's proposed FY 2025 supplemental General Fund budget. Of municipal interest, Part S of the emergency bill limits GA eligibility for housing to three months in a 12-month period, except for the aid provided for temporary or emergency shelters, as well as the assistance for applicants with severe and persistent mental or physical conditions or an applicant with a pending Social Security Administration decision. The bill also provides that maximum levels of assistance for other non-housing related support can only be exceeded for 30 days in 12-month period. The bill also: (1) transfers \$3 million to the Disaster Recovery Fund to fund the state's share of disaster recovery costs (Part F); (2) transfers \$750,000 to upgrade the

Cony Road facility in Augusta (Part I); (3) provides \$250,000 in one-time funding to the Animal Welfare Fund program to assist with extraordinary animal seizure costs (Part T); and (4) provides \$2 million in one-time funding to address the early intervention and management of Spruce Budworm.

This bill allows candidates for the offices of sheriff and district attorney to participate in the Maine Clean Election Act beginning with the 2028 election cycle.

LD 115 *An Act to Assess Impact Fees on Megayachts* (Sponsored by Sen. Bennett of Oxford Cty.)

This bill provides that a megayacht is subject to an impact fee of \$10 per foot of length over 150 feet for each day up to 30 consecutive days that the megayacht is secured to a slip in a municipality that collects slip fees. The bill provides that commercial fishing vessels, certain commercial cruise vessels, commercial scientific research vessels, marine salvage or construction equipment vessels, commercial freight-carrying vessels, vessels built before 1950, vessels made primarily of wood, military vessels and vessels owned by academic institutions are not included in the definition of "megayacht." Municipalities are allowed to retain 10% of all impact fees, with the remainder to be transferred to the Megayacht Fund, as established in the

bill, and requires that 50% of funds be used to support harbor infrastructure and sea level rise mitigation infrastructure and 50% of funds support public transit infrastructure, including ferries and land-based public transportation.

LD 114 *An Act to Amend the Charter of the Lewiston-Auburn Water Pollution Control Authority* (Sponsored by Rep. Cloutier of Lewiston)

This bill amends the charter of the Lewiston-Auburn Water Pollution Control Authority to allow the authority to operate under the assumed name of the Lewiston Auburn Clean Water Authority.

LD 111 *An Act to Increase the State's Share of Retired Teacher Health Insurance* (Sponsored by Rep. Dodge of Belfast)

This bill requires the State to pay 65% of a retired teacher's share of the premium for group accident and sickness or health insurance from July 1, 2025 to June 30, 2026 and 70% after July 1, 2026.

LD 110 *An Act to Require Reporting on the Expenditure of Opioid Settlement Funds by Certain Municipalities and County Governments* (Sponsored by Rep. Brennan of Portland)

This bill requires that a direct share subdivision that receives opioid settlement funds in accordance with the Maine State-Subdivision Memorandum of Understanding and Agreement Regarding Use of Settlement Funds, dated and signed on January 26, 2022, and the Maine State-Subdivision Memorandum of Understanding and Agreement Regarding Use of Settlement Funds-2023, dated and signed on May 2, 2023, collectively referred to in the bill as the Memoranda of Understanding, must submit an annual report to the Attorney General detailing the amount of such funds received and expended in the prior calendar year and including a description of each such expenditure. The first annual report must be submitted by January 15, 2026. A direct share subdivision is defined in the bill as a municipality or county that is a plaintiff subdivision identified in Exhibit 3 of the Memoranda of Understanding.

LD 107 *An Act to Require Health Insurance Coverage for Biomarker Testing* (Sponsored by Rep. Zager of Portland)

This bill requires insurance coverage, including coverage in the MaineCare program, for biomarker testing.

LD 106 *An Act Regarding the Taxation of Paid Family and Medical Leave Benefits* (Sponsored by Rep. Cloutier of Lewiston)

This bill provides that benefits paid from the paid family and medical leave program are subject to state income tax to the extent those benefits are not included in the taxpayer's federal adjusted gross income. It also provides that a taxpayer's federal adjusted gross income may be reduced by the amount subject to repayment that has been previously taxed by the State. It also allows individuals filing a new claim for family leave benefits or medical leave benefits to elect to have the administrator of the program deduct and withhold state income tax from the individual's payment of benefits at the rate of 5% and requires the administrator of the program to deduct and withhold state income tax. It also requires the department to advise individuals filing a new claim for benefits that the benefits are subject to state income tax.

LD 104 *An Act to Protect the Health of Medical Cannabis Patients and Streamline the Mandatory Testing of Cannabis* (Sponsored by Rep. Malon of Biddeford)

In large part, this bill amends the medical cannabis law by creating the regulations and standards necessary to require registered caregivers, registered dispensaries and manufacturing facilities to submit harvested cannabis to a registered cannabis testing facility to ensure that the harvested cannabis does not exceed the maximum level of allowable contamination for any contaminant that is injurious to health, before being sold to a qualifying patient. The bill also creates testing facility requirements, both through statute and rulemaking authority, which requires an owner to obtain authorization from the municipality where the testing facility will be located. The bill also directs the Office of Cannabis Policy to adopt labeling, packaging and other necessary health and safety rules regulating harvested cannabis sold or transferred to a qualifying patient.

LD 102 *An Act to Notify the Public of Juveniles Who Are Wanted Persons* (Sponsored by Rep. Lajoie of Lewiston)

This bill allows criminal justice agencies to provide to the public certain juvenile history record information for the purpose of apprehending a juvenile that has escaped from custody as defined by the Maine Criminal Code or when a warrant of arrest has been issued alleging the juvenile has committed a crime that would constitute murder or a Class A, B, C or D crime if the juvenile were an adult.

LD 101 *An Act Regarding Public Records and Fees for Requesting Public Records from the Department of Inland Fisheries and Wildlife* (Rep. Roberts of South Berwick)

In part, this bill creates an exception from the provisions of the Freedom of Access Act that govern the fees that an agency may charge to a person requesting public records and allows the Department of Inland Fisheries and Wildlife to charge a separate fee of \$5 per record for copies of applications, licenses, registrations, permits and recreational vehicle crash reports and 3 cents per name or per record, with a minimum charge of \$10, for spreadsheets and lists of records related to applications, licenses, registrations, permits and recreational vehicle crash reports. These fees are subject to sales tax, and therefore the bill also modifies the provisions of tax law defining "retail sale" and "sales price" to facilitate applying a sales tax to these fees.

LD 99 *An Act to Clarify Information Sharing Between the Department of Health and Human Services and Schools with Respect to Investigations of Child Abuse or Neglect* (Sponsored by Rep. Murphy of Scarborough)

This bill clarifies that an investigation team of the Department of Health and Human Services may share information with the superintendent of a school administrative unit, the chief administrator of a private school or a public school not in a school administrative unit when there is an indicated or substantiated finding of out-of-home child abuse or neglect against an employee of or a student registered in that school administrative unit.

LD 97 *An Act to Facilitate the Improvement of Credit Scores of Residents of Department of Corrections Facilities* (Sponsored by Rep. Sayre of Kennebunk)

This bill allows the commissioner of the Department of Corrections, by rule, to allow a client of a correctional facility to receive a loan from a finance institution, without the funds being deposited in the department's general client account or telephone account, provided the

loan is: (1) designed to improve the client's credit score; (2) deposited into the client's savings account at the financial institution; (3) secured by the money dispersed by the client from the department's general client account to the savings account at the financial institution; and (4) paid in full from the secured funds in the client's account.

LD 96 *An Act to Amend the Motor Vehicles and Traffic Law Governing Mandatory Driver's License Suspension for Refusing Testing for Drugs or a Combination of Drugs and Alcohol* (Sponsored by Rep. Bunker of Farmington)

Under current law, a person is required to submit to a blood or urine test selected by a drug recognition expert if that drug recognition expert has probable cause to believe that the person is under the influence of a specific category of drug, a combination of specific categories of drugs or a combination of alcohol and one or more specific categories of drugs. The bill changes this provision by broadening the probable cause to include impairment caused by "a drug" or "drugs" generally, replacing "drug recognition expert" with "law enforcement officer" and modifying the requirements pertaining to the type of test or tests required under the provision. The bill also adds a provision clarifying that the Secretary of State is required to immediately suspend the driver's license of a person who fails to submit to and complete a test under the provision of law governing drug impairment assessments in accordance with existing procedures

LD 95 *An Act to Amend and Simplify Certain Wildlife Laws* (Sponsored by Rep. Cluchey of Bowdoinham)

Of municipal interest, the bill reorganizes the statutes regulating the Department of Inland Fisheries and Wildlife's rulemaking authority over opening hunting areas, which still require approval by the municipal legislative body.

LD 92 *An Act Regarding the Management of the Waste Components of a Solar Energy Development upon Decommissioning* (Sponsored by Rep. Lemelin of Chelsea)

This bill amends the solar energy development decommissioning laws by requiring that the recycling or disposal of waste components of a solar energy development occurs within 90 days of the physical removal of the waste components from the development.

LD 86 *An Act to Update the Laws Regarding Education* (Sponsored by Rep. Sargent of York)

In part, this bill allows the residents of a municipality within a community school district to petition and vote to withdraw from the district in the same manner afforded to residents in a regional school unit.

LD 83 *An Act Concerning the Filing of Marriage Licenses and the Recording of Intentions as Part of the Electronic Vital Records System* (Sponsored by Rep. Kuhn of Falmouth)

This bill amends the laws regarding the management of marriage licenses by requiring: (1) completed applications to be attached to the marriage record stored in the State Register of Vital Statistics' electronic system; (2) in situations where licenses have been erroneously issued and the couple as not yet married, the state register or municipal clerk to inform parties that they cannot marry until the judge of probate approves the marriage; and (3) marriage licenses returned later than 90 working days following the marriage be marked as delayed in filing. The bill also repeals the provision in statute requiring the municipal clerk to provide applicants of a

marriage license a Department of Health and Human Services brochure concerning the effects of alcohol and drugs on fetuses.

LD 82 *An Act to Amend the Workers' Compensation Laws by Extending Indefinitely the Presumption Applying to Law Enforcement Officers, Corrections Officers, E-9-1-1 Dispatchers, Firefighters and Emergency Medical Services Persons Diagnosed with Posttraumatic Stress Disorder* (Sponsored by Rep. Mathieson of Kittery)

This bill repeals the October 1, 2025 repeal of a provision in the Workers' Compensation Act of 1992 that makes a post-traumatic stress disorder resulting from a workplace injury and suffered by a law enforcement officer, corrections officer, E-9-1-1 dispatcher, firefighter or emergency medical services person a rebuttable presumption.

LD 79 *Resolve, to Rename the Bridge on Main Street Between Biddeford and Saco the General Wallace H. Nutting Memorial Bridge* (Sponsored by Rep. Malon of Biddeford)

This resolve directs the Department of Transportation to designate Bridge 3423 on Main Street between the City of Biddeford and the City of Saco the General Wallace H. Nutting Memorial Bridge.

LD 71 *An Act Regarding Special Education Funding* (Sponsored by Rep. Mathieson of Kittery)

Beginning in fiscal year 2026, this bill requires the state to fund no less than 55% of special education costs under the essential programs and services school funding formula.

LD 69 *An Act to Repeal the Law Restricting the Use of Certain Plastic, Paper and Single-use Bags* (Sponsored by Rep. Bagshaw of Windham)

This bill repeals the law restricting the use of recycled paper bags, reusable bags made of plastic and single-use carry-out bags used at a point of sale.

LD 68 *An Act to Amend the State Tax Laws* (Sponsored by Rep. Cloutier of Lewiston)

Of municipal interest, this bill changes from April 1 to May 1, the date by which the owner of business equipment tax exemption (BETE) property files a report with the assessor describing the property for which an exemption is claimed and repeals the automatic 30-day extension for filing the report. Instead, the bill authorizes assessors who receive a written request for an extension before taxes are committed to grant, for good cause, additional time to file the report, provided the extension does not exceed three months. The bill also authorizes the State Tax Assessor to provide access to BETE applications, rather than provide copies of the applications.

LD 65 *An Act to Update the Definition of "Coastal Wetlands" Under the Natural Resources Protection Act* (Sponsored by Rep. Doudera of Camden)

This bill amends the definition of "coastal wetlands" in the Natural Resources Protection Act by clarifying that coastal wetlands include all tidal and subtidal lands that are subject to tidal action during the highest astronomical tide as determined by the U.S. Department of Commerce, National Oceanic and Atmospheric Administration.

LD 62 *An Act to Support Municipal and County Actions on Dam Ownership* (Sponsored by Rep. Milliken of Blue Hill)

This bill amends the Department of Environmental Protection's process regarding the release of dam ownership by requiring the owner to provide sufficient information to enable individuals and groups who own property abutting the dam site, commissioners from the Departments of Inland Fisheries & Wildlife and Agriculture, Conservation & Forestry, director of the MEMA, and representatives of tribal government, municipal officers and county commissioners in the area where the dam is located to determine whether to assume ownership of the dam. The bill also amends the laws governing the timing of a municipal public meeting regarding the release of ownership from no later than 60 days to 180 days after receiving notice of such an action.

LD 61 *An Act to Regulate Employer Surveillance to Protect Workers* (Sponsored by Rep. Roeder of Bangor)

This bill requires employers, including public employers, to provide notice before initiating employee surveillance through electronic devices or systems, and further restricts the use of audiovisual monitoring in an employee's residence, personal vehicle, or on personal property. The bill provides an exception for the use of surveillance cameras for security or safety purposes or the use of global positioning system tracking or other safety devices on vehicles owned by the employer but operated by the employee. The bill also: (1) authorizes an employee to decline a request by an employer to install data collection or transmission applications on the employee's personal electronic devices; (2) requires an employer to notify prospective employees during the interview process that the employer engages in employer surveillance; (3) gives rule-making authority to the Department of Labor; and (4) creates a private right of action for persons aggrieved by a violation by an employer.

LD 60 *An Act to Allow Employees to Request Flexible Work Schedules* (Sponsored by Rep. Roeder of Bangor)

This bill requires employers, including public employers, to consider an employee's request for a flexible work schedule and in the process of considering the request determine if it can be granted in a manner that is consistent with employer operations. Such considerations include the cost to the employer, impacts on employee morale, ability to meet consumer demands, and ability to reorganize work among existing employees, to name a few. Employers must inform an employee, in writing, of the decision, and if denying the request, specify the reasons for the denial. If the request is granted, the employee and employer must mutually agree on the duration, time and terms of the flexible work schedule. With as much notice as possible, the employer can rescind the flexible work schedule when deemed necessary. An employer that takes action to prevent or penalizes an employee for requesting a flexible work schedule is subject to a civil penalty between \$100 to \$500 payable to the Department of Labor. The bill further provides that a collective bargaining agreement may provide employees with more expansive flexible work schedule rights.

LD 56 *An Act to Remove the 5 Cent Fee for Bags in Retail Stores* (Emergency) (Sponsored by Rep. Lemelin of Chelsea)

This emergency bill repeals the 5¢ fee currently required when a retail establishment provides a recycled paper bag or a reusable bag made of plastic to bag products at the point of sale.

LD 55 *An Act to Amend the Law Governing the Accrual of Earned Paid Leave* (Sponsored by Rep. Lemelin of Chelsea)

This amends the law governing earned paid leave to provide that an employee is entitled to earn one hour of paid leave from a single employer for every 40 hours worked, up to the accrual limit specified in the employer's policy. The bill also provides that accrued and unused hours of earned paid leave from the previous year must be available for use by an employee in the current year of employment and further clarifies that accrued and unused hours from the previous year may not reduce the total amount of hours of paid leave an employee is entitled to earn in the current year, up to the accrual limit specified in the employer's policy.

LD 54 *An Act to Require Employers to Disclose Pay Ranges and Maintain Records of Employees' Pay Histories* (Sponsored by Rep. Roeder of Bangor)

This bill requires employers with 10 or more employees to include pay ranges in job postings. The bill also requires that upon request of an employee, an employer disclose the range of pay offered for the position the employee holds. Employers are also required to maintain a record of each position held by an employee and the pay history for the duration of the individual employment and for three years after termination.

LD 50 *An Act to Provide the Right of First Refusal to Towns in Which the University of Maine System and Similar Quasi-independent State Entities Are Selling Property* (Sponsored by Rep. Dodge of Belfast)

This bill provides municipalities with a first right of refusal to purchase the real property owned by a quasi-independent state entity and located in the community at the current market value as determined by an independent appraiser. The right established in the bill expires if the municipality fails to either: (1) provide notice invoking the right within 30 days of receiving written notice of the opportunity; or (2) complete the purchase of the property within three months of invoking the authority.

LD 42 *An Act Regarding the Bind-over and Detention of Juveniles* (Sponsored by Rep. Salisbury of Westbrook)

This bill amends the laws requiring that when a juvenile who has been bound over for prosecution as an adult reaches 18 years of age while incarcerated to be detained in an adult section of a jail, by authorizing the Department of Corrections to request and the court to grant permission to detain the individual in a juvenile facility. The extension applies only for the period of time that the individual is detained prior to the commencement of an adult proceeding, including the appeal of the order binding a juvenile over for prosecution as an adult. The bill also provides that the department may request that the court rescind the order at any time and clarifies that a person who attains 21 years of age may not be detained in a juvenile facility.

LD 38 *An Act Requiring Photographic Identification for Voting* (Sponsored by Sen. Timberlake of Androscoggin Cty.)

This bill requires voters to present photographic identification when voting in person, which includes a Maine issued valid driver's license or nondriver identification card, a U.S. passport, a military identification, or a permit to carry a concealed handgun issued under Title 25, chapter 252 if that permit includes a photograph. An identification issued by a college or university does not qualify as eligible identification. The bill also directs the Secretary of State to provide voters with a special photograph identification card, which must be issued free of charge, and can be used to participate in an election.

[LD 4](#) *An Act to Adopt Eastern Standard Time Year-round* (Sponsored by Sen. Bennett of Oxford Cty.)

Current law authorizes the year-round observation of eastern daylight time, provided it is both authorized by federal law and observed by all states in the eastern time zone, including the District of Columbia. This bill repeals these conditions and allows for the observation of eastern daylight time in Maine.

[LD 3](#) *An Act to Adopt Eastern Daylight Time Year-round Contingent on Federal Approval* (Sponsored by Sen. Bennett of Oxford Cty.)

Current law authorizes the year-round observation of eastern daylight time, provided it is both authorized by federal law and observed by all states in the eastern time zone, including the District of Columbia. This bill amends the law to allow Maine to observe eastern daylight time year-round, provided federal law or regulation permits it.

[LD 2](#) *An Act to Allow Military Vehicles Purchased for Civilian Use to Be Registered and Operated on Maine Roads* (Sponsored by Sen. Libby of Cumberland Cty.)

This bill allows demilitarized vehicles, defined as automobiles built for and used by the U.S. Armed Forces, including the Space Force and Coast Guard, to operate over Maine roads. The bill directs the Secretary of State to register these vehicles and issue registration plates in a three-number and three-letter combination. An application for registration must include evidence of transfer of title from the federal government and an affidavit that the vehicle is garaged or maintained in the state. Additionally, demilitarized vehicles are subject to motor vehicle inspection requirements, except that the Chief of the State Police can provide certain exemptions under rulemaking authority.

[LD 1](#) *An Act to Increase Storm Preparedness for Maine's Communities, Homes and Infrastructure* (Emergency) (Governor's Bill) (Sponsored by President Daughtry of Cumberland Cty.)

In response to the \$90 million in damages caused by the winter storms of December 2023 and January 2024, Part A of this emergency bill creates the Home Resiliency Program within the Department of Professional and Financial Regulation, Bureau of Insurance to provide grants to assist owners fund home resiliency projects. The program is funded by the Home Resiliency Fund, which is capitalized with a \$15 million transfer from available balances within the bureau. To be eligible, an individual must own and reside in a home that was not the subject of a previous home resiliency project. The bill further directs the bureau to develop a list of eligible projects, post the list on a publicly accessible website, set maximum grant amounts, and adopt the rules necessary to implement the program. The bill also specifies that the bureau may not award grants before May 1, 2026.

Part B of the emergency bill creates the Safeguarding Tomorrow through Ongoing Risk Mitigation Revolving Loan Fund as a dedicated, non-lapsing fund administered by the Maine Emergency Management Agency (MEMA). The fund is used as the state's match for the Federal Emergency Management Agency disaster and hazard mitigation revolving low-interest loan

program, which is designed to support municipal and tribal government infrastructure projects that reduce future storm and other hazards risks. The bill also transfers \$750,000 from available balances within the insurance bureau to fund the mitigation loan program, transfers an additional \$10 million from the bureau to capitalize the Disaster Recovery Fund, and directs MEMA to adopt the rules necessary to administer the fund.

Part C of the emergency bill establishes the State Resilience Office within the Maine Office of Community Affairs and directs the office to coordinate, assist and collaborate with state agencies, municipalities, tribal governments and regional entities to improve Maine's resistance to weather-related events. The bill also creates the State Resilience Fund to be administered by the office and with revenue used to support data, planning tools, technical assistance and project funding designed to increase the resilience of communities, state and local infrastructure, businesses and other state entities to natural hazards, storm events and other disasters. The office is also directed to adopt the rules necessary to implement the program. In addition to the one-time transfer of \$9.6 million from the available balances within the insurance bureau, the bill provides that beginning with fiscal year 2028, \$1.755 million from available balances within the bureau's special revenue fund be annually transferred to the State Resilience Fund.
