## Cell Phone Usage

We all use cell phones as part of our everyday lives it seems. However, when they become a distraction sometimes that can be detrimental. If you must bring your cell phone to MMTCTA conferences or seminars as a requirement of your employment, please place them on vibrate or silence and only take calls or text when you are out of the room. If you bring them to keep in touch with family or for other personal reasons, please turn them off while in class and only access them during breaks or lunch.

Thank you for your consideration.

## About MMTCTA

The Maine Municipal Tax Collectors' and Treasurers' Association was established in 1976 by a group of professional tax collectors and treasurers from across the state of Maine.

The MMTCTA is an organization of tax collectors and treasurers throughout the state of Maine. An association of over 750 members, the MMTCTA is a professional-level affiliate group of the Maine Municipal Association.

Organizationally, the Association elects a President, Vice President, Secretary/Treasurer, and six Directors. Once elected, this Board meets regularly.

The Association offers a certification program for members who wish to become certified as a tax collector or treasurer.

The Association is governed by a set of By-laws.

A primary objective of MMTCTA is to provide professional development opportunities through education, training and peer interaction.
