**Candidate Profile:**

Elaine Aloes has served as Chair of Selectmen in the Town of Solon for the past 26 years. She also has served on the Somerset County Budget Committee since 2000, with the last four years serving as Chair. Elaine has also served on MMA’s Executive Committee from 2001-2003 and from 2017 to present including on the Strategic Planning Committee; and also has served on MMA’s Workers Comp. and Property and Casualty Boards. She has served on the LPC since 1999, including on a special rural/service center subcommittee, and would like to continue her service to give rural central Maine a voice on legislative issues with her deepest concerns being the reduction of state aid to municipalities and schools.

Tim Curtis has served as manager in the Town of Madison for the past six years. Tim has served on the LPC for the past two terms and would like to serve again because he feels that staying informed helps him to better serve his community and LPC/Senate District. His biggest areas of concern are with revenue sharing and education funding.
