Candidate Profile:

Kevin Howell has served the Town of Carmel in several capacities over the past five years, including as: manager, clerk, tax collector, treasurer, code enforcement officer, local plumbing inspector, road commissioner, general assistance administrator, E-911 addressing officer and deputy registrar. Kevin has participated in many MMA-sponsored events in the past five years and believes that local government is a fundamental component of a democratic system of government. He served on the LPC for this past term and would like to continue his service because he has a strong belief in giving a local voice towards state legislative advocacy and wants to continue to communicate with local legislators about the Committee’s positions on municipal matters as well as acting as a liaison with municipal officers within his district.
